Welcome to our second annual Turkey Trot Barn Hunt—we've teamed up with Cascade American Pit Bull Terrier Club to offer even more weekend fun. Check out the weight pull, conformation, and junior handling competitions in the main barn. We're in the small barn near the paved parking lot, we'll have plenty of signage to direct you. We will have designated crating areas for well behaved dogs, but the weather forecast is favorable for in vehicle crating. Bring your left over 'what is this' dishes to our Saturday leftover potluck, RiverRAT provides plates and utensils, just bring your dish and serving utensils. We're fortunate to have Riki Kaufman taking win pictures at her fantastic set up—she does an amazing job and whether you Q or not, worth the time to get high quality pictures of your gang. Please remember that unauthorized use of her photography setup could constitute BH misbehavior and possible loss of qualifying scores. We love our volunteers, we will have our volunteer daily raffles and great appreciation for those that help out.

To get up to the minute text messages on classes and rings use a messaging app www.remind.com —text @f33cbb to 81010 or visit <https://www.remind.com/join/f33cbb> and follow the instructions and we'll do our best to make sure we can accommodate conflicts and chaos. The app was designed for schools, but is widely used at dog events—sign up as a parent or teacher. Our "school" is RiverRat Barn Hunt and the "class" is Turkey Trot RRBH Trials. We don't guarantee you won't miss your class, but we may save you a couple of walks to the barn hunt ring.

Remember to leave your phone out of the blind and ring.

All times are "start no earlier than" and are approximate based on counts at close of pre-entries—day of show entries, move ups & absences may impact this schedule.

Any assigned judge may be used for load balancing or relief judging.

Don't Forget the Special "RATs! drawing for all non-qualifying runs each day
